

International Fastener Show China 2021 *is always going up* **Nov. 14-16**

📍 Shanghai World Expo Exhibition & Convention Center

With an exhibition area of 42,000 square meters, there were breakthroughs of the scale and level for International Fastener Show China 2020. IFS China gathered 725 renowned enterprises and set up 1,936 booths, attracting 36,080 visitors including 4,212 overseas visitors from 53 countries and regions in 2020.

For last edition, IFS China 2020 boasted an active participation of overseas equipment manufacturers from China, Hong Kong, Taiwan, the United Kingdom, the Netherlands, Germany, Italy, Japan, the United States, South Korea, Israel, thus building a bridge for Chinese and global fastener industry to communicate and cooperate, while creating opportunities for fastener companies from home and abroad.

With more than 42,000 square meters, IFS China 2021 will assemble over 800 exhibitors, which are well-known fastener enterprises in the world, covering machinery manufacturing, automotive, new energy resources, aerospace, shipbuilding, petrochemical, IT, electronics, infrastructure and other application industries.

International Fastener Show China, the technical fastener exhibition is initiated and hosted by China General Machine Components Industry Association and China Fastener Industry Association, representing the authority and influence in the industry. What's more, IFS China is one of the professional fastener events in the world and the outstanding show in Asia which covers the whole fastener chain.

With the promotion of "China intelligent manufacturing" and "The Belt and Road", the global fastener market will increase substantially in the next few years. The pursuit of a stronger nation for fastener industry shall be fulfilling with your participation. ▣

Scope of Exhibits

Hall 1

- Machinery, Fastener materials
- Moulds and consumption goods
- Fastener manufacturing machinery
- Auxiliary equipment
- Inspection equipment / Measuring devices
- Installation / Measurement and maintenance
- Moulds / Consumption goods
- Fastener technology / Services

Hall 2

- Standard fasteners
- Non- standard fasteners
- Aerospace fasteners / Military fasteners
- Construction fasteners
- Other related fasteners and parts

Organizers

- ◆ China General Machine Components Industry Association
- ◆ China Fastener Industry Association of China General Machine Components Industry Association
- ◆ Shanghai Afastener Exhibition Co., Ltd.
- ◆ Hannover Milano Fairs Shanghai Ltd.

The 21st Fastener Trade Show Suzhou to Continue Strong Momentum in 2021

As a grand festival for global fastener suppliers and buyers, the 21st Fastener Trade Show Suzhou will open its doors from 27-29 October 2021 at Suzhou International Expo Center (SIEC), Jiangsu Province, China.

This year's show will occupy halls D1 and E1, with a total exhibition area of 12,000 square meters, featuring more than 400 participating companies (expected). Some 12,000 buyers and visitors from China and the rest of the world are expected to come to the exhibition for annual procurement and negotiation.

The exhibit profile in 2021 will cover 6 product ranges of the entire fastener supply chain, including: fasteners, tools, equipment, molds, surface treatment and raw materials.

"Fastener Application Conference", including a series of insightful topics by leaders and experts from fastener application fields, will shed light on advanced technology applications, providing a unique opportunity for attendees to acquire knowledge and share information.

The previous edition had created an unprecedented record of 551 booths, with a total of 11,028 visitors from around 30 countries and regions.

Online visitor registration is now open. Register now for FREE Admission, FREE Show Catalog and Souvenir! Scan the QR code below to complete the application form.
