

St. Petersburg to Host Fastener Fair Russia 2015

St. Petersburg's new ExpoForum is the venue for the next Fastener Fair Russia. The event will take place in the city from 24 to 26 March 2015.

This will be the third in a successful series of trade shows in Russia dedicated exclusively to fastener and fixing technologies. Locating the event in St. Petersburg will bring the very latest in fastener and fixing technology to the heart of the country's fastest growing industrial region. High-tech optical, IT, electronics, metal working and environmental industries are now joining the already successful automotive and shipbuilding sectors around St. Petersburg, boosting demand for fasteners and fixings.

More than 120 leading companies from 19 countries took part in the last Fastener Fair Russia event, which attracted managers, engineers and buyers from 205 cities and 25 countries. With participation expected by leading international companies, the exhibition will feature products and services in these key sectors:

- Industrial fasteners and fixings
- Construction fixings
- Assembly and installation systems
- Fastener manufacturing technology
- Storage, distribution, factory equipment
- Information, communication and services

"St. Petersburg is the ideal host city for this event," says Olivia Griscelli, Exhibition Director for Fastener Fair Russia. "With so many new high-tech industries developing in the region alongside established manufacturing sectors, we believe the show offers great opportunities for companies specialising in fasteners and fixings to showcase their products and build new partnerships."

Worldwide Exhibitions

The event will be co-located with BLECH Russia, the country's leading trade show exclusively dedicated to the sheet metal industry.

Fastener Fair Russia is part of the worldwide series of Fastener Fair exhibitions for the fastener and fixings industry. These include Fastener Fair Hannover, Fastener Fair India, Fastener Fair Brasil, Fastener Fair Thailand and the flagship event Fastener Fair Stuttgart, Europe's leading international trade show for this sector.
