

# Exhibitions Preview (Aug.-Dec. 2015)

## 2015 下半年扣件五金展搶“鮮”報

### AUG.

#### 08/21-24 The 5<sup>th</sup> Cambodia Int'l Hardware & Tools Fair

Venue: Diamond Island Convention and Exhibition Center

As a part of Cambodia Int'l Machinery Industrial Fair (CIMIF), Cambodia International Hardware & Tools Fair has become one of the important events that bring high standards and quality to the industry. CIMIF2014 was attended by 260 exhibitors from 21 countries and regions including Austria, Cambodia, China, Czech Republic, France, Germany, Hong Kong, Italy, Japan, Korea, Malaysia, Pakistan, Singapore, Spain, Switzerland, Taiwan, Thailand, Turkey, UK, USA, Vietnam, taking up a total of 430 booths. It attracted 9,583 business visitors in total. During the four-day-event, most exhibitors were satisfied with the visitor traffic and the quality of professional buyers. Noteworthy numbers of visitor transaction volume achieved on-site imply that exhibitors will gain more outcome and feedback after the exhibition.

#### 09/10-12 Expo Nacional Ferretera

Venue: Expo Guadalajara

27th Expo Nacional Ferretera will introduce new products and new innovation from all over the world. Every year about thousands and thousands of buyers from Mexico and 30 countries meet at Expo Guadalajara. Last year 1,500 exhibitors from companies related to the hardware industry promoted their products and services in the area of 55,000 sqm. helping create new business networks, increasing sales, and promoting business. This year the show will have a new Construction pavilion "Construye" in Salon Mexico, with a great variety of products and promotions from the sector. Another new program is a Top Attendees Program, Club Elite which is a program dedicated to finding quality top buyers from Mexico, Central and South America with a high level of purchasing power.

#### 09/17-19 IndoFastener

Venue: Jakarta International Expo Kemayoran

In response to the urgent need of various fastener industries, an international trade exhibition, IndoFastener 2015 (The 3rd Indonesia International Fastener Exhibition) has been organized and set to be held at the Jakarta International Expo Kemayoran, Indonesia. Distributors, importers, and exporters coming from various raw material industries from across the country will join IndoFastener 2015. IndoFastener 2015 gathered over 100 exhibiting companies from national and regional pavilions from various industries such as industrial fasteners, fittings and precision formed parts, assembly equipment/tools/supplies, fastener manufacturing technology, machinery/equipment/process classifications and many others. The 3-day exhibition will be open for free to trade visitors and professionals by registration only.

**10/12-14 Taiwan Hardware Show**

Venue: The Greater Taichung International Expo Center

Over 350 international and domestic manufacturers will bring their best and brightest to the show. In 2015, The show emphasizes on Quality Goods Made in Taiwan and supports the participating companies to enter the lucrative global markets. International buyers from all over the world visit each year and leave impressed by the high quality and competitive prices. This year's exhibition is divided into 8 categories: Tools & Accessories, Locks & Fittings, Fasteners & Fittings, Building Supplies, Garden & Outdoor Equipment, Automotive Supplies & Accessories, Machines & Plant Equipment and Safety Equipment & Products.

**10/21-23 Fastener Trade Show Suzhou**

Venue: Suzhou International Expo Center

With the growing demand in the market, the 15th Fastener Trade Fair Suzhou will be given at Suzhou International Expo Center. It will gather many professionals from famous brands, high-end products manufacturing industries and leading technology industries in one venue, all of whom are dedicated to the upgrade of the fastener

industry. This Fair has been successfully given for 13 times and the number of either exhibitors or visitors takes the lead among other competing fairs, making the Fair a byword of "the most vibrant and most professional fair with the highest number of end users and foreign purchasers." This Fair shows powerful influence on the fastener industry. The numbers of exhibitors and visitors last year also hit a record high.

**10/21-23 China International Hardware Show**

Venue: National Exhibition & Convention Center (Shanghai, China)

As one of the world's most influential trade fairs for the entire hardware industry, CIHS is an unmissable industry fixture for all exhibitors and visitors doing business within or with Asia covering the complete spectrum of products from tools, DIY and building hardware, security locks and fittings and fasteners. As a result, more than 120 foreign exhibitors from over ten countries and regions, including Germany, Italy and Taiwan will converge at the event to tap into the massive regional market. In CIHS2015, Japan, Korea, India pavilion will also join to show their latest technology and products. China National Hardware Association (CNHA), Koelnmesse GmbH and The Home Improvement Industry Presidents Council are organizing the Buying Day to enable China & USA to find ways of working closer and better together based on stronger friendship and deeper business cooperation. With the great successful launching in CIHS2014, Buying Day will provide continuous support to CIHS2015.

**10/22-23 National Industrial Fastener & Mill Supply Expo**

Venue: Sands Expo and Convention Center

The 35th National Industrial Fastener & Mill Supply Expo continues to grow as it adds more variety as well as new core products and services in a changing global marketplace. "We have sold 70,500 net square feet of exhibit space to 512

companies from throughout the U.S. and 11 other nations around the world including Canada, China, Germany, India, Italy, Korea, Malaysia, Mexico, Spain, Taiwan, and Turkey", informs Susan Hurley, the Expo's General Manager. There will be a full day conference program on October 21 featuring topics of vital, current interest as well as valuable training and informative meetings.

**10/28-31 Korea Metal Week**

Venue: KINTEX

Korea Metal Week is a key event for the machinery industry professionals. It's aiming to bring in advanced metal technologies and equipment to meet the huge demand of Korean changing machinery market. Korea Metal Week 2014 was held with 322 exhibitors and 23,000 professional visitors which represented a 25% increase over the last show in 2013. In Korea Metal Week 2014, 322 exhibitors from 19 countries booked 535 booths in the hall of 13,300 sq. m. Year by year Korean global competitiveness has been growing and it is delivered to Korean industry market such as machinery, automobile, shipbuilding, and aviation development.

## NOV.
