

Fastener World's Exhibition Preview arranged by Fastener World

Korea Metal Week

06/19-21
KINTEX

On the total area of 21,546 square meters, Korea Metal Week 2019 will be held from June 19 (Wed.) to 21(Fri.) at Hall 2~3, Exhibition Center 1, KINTEX in Goyang City, S. Korea. In 2019, Korea Metal Week will exhibit more wide-ranging and gather more sellers & buyers by newly-launching Control, Measurement and Automation applicable to the fastener industry.

Fastener & Wire will display various exhibits as below.

- Bolt / Nut Products & Equipment
- Automobile Parts / Fastening Products & Subsidiary Materials
- Wire Production & Manufacturing

Also, it will concurrently be held with Press & Forging, Tools, Automobile & Machine Parts, Tube & Pipe, 3D Technology, Foundry & Die Casting, Fundamental Manufacturing Industry, Aluminum, Metal Surface Treatment & Painting, Laser & Welding, Pump Technology, Composite, Control, Measurement and Automation.

With subtitle 'Advanced & Convergence Technology', Korea Metal Week 2019 will invite experts of global automobile company such as Mercedes-Benz, BMW, Volkswagen, etc as keynote speakers. Also, through group invitation of their purchase department, the match-making service will be provided to the exhibitors for business meetings.

Although Korea is not a big market in Asia, Korea Metal Week is the best marketing place to see the trend of the latest technologies in relevant industry.

Fastener Expo Shanghai

FASTENER
— WORLD — at 3C125

06/26-28
National Exhibition
& Convention Center
(Shanghai)

From the 26-28 June 2019 a vast number of the industry's leading companies will convene in Shanghai. Following the significant success of the recent 2018 exposition, which brought 633 exhibitors, 2019 sees a growth to over 700 exhibitors and 30,000 visitors. Occupying 60,000 sqm, next year promises an impressive display of products including non-standard pieces, fasteners for industrial application, fastener manufacturing technology and equipment, mould and consumables for fasteners, raw materials, and even related supportive products and techniques.

The 10-year anniversary will also mark the expansion into a new type of fastener: ITE is proud to introduce building fasteners, a unique area never showcased before. The 2019 Exposition hopes to provide an interactive and unique experience for all those involved; Face-to-face services will also be offered allowing visitors to be matched to exhibitors in advance and a variety of seminars and conferences will be available allowing visitors to further expand their understanding of the industry.

Vietnam Manufacturing Expo

VME (Vietnam Manufacture Expo) 2019, which will take place from 14 – 16 August, in Hanoi, will be an ideal platform for the industrialists. The event will be showcasing up-to-date machines and technologies of over 200 brands from 20 countries that serve a diverse range of sectors under the theme of Smart Factory. It will be a cost-effective business meeting platform for technology providers to meet with over 10,000 potential buyers and capitalize upon the demands and the emerging opportunities.

08/14-16
I.C.E. Hanoi

In 2018, 7,933 industrialists were bowled over by latest machinery and solutions that could unlock new production efficiency and propel the growth of Vietnam's manufacturing and supporting industries. Collaborative robots were in focus, and new welding master was found through a concurrent Welding Competition. There were 5 International Pavilions, including Japan, Singapore, Taiwan, Vietnam (by HPA & VEIA), 7,933 trade buyers from 30 countries, exhibitors from 16 countries, and 313 group visits. Japan, Korea, Thailand, Taiwan, Singapore were top 5 visitors by country.

VME will bring together more exciting technologies and enthusiastic buyers in a business-inducing atmosphere filled with opportunities and services, including business matchmaking, as well as seminar and special activity programs that will make it easy for exhibitors to expand customer base, engage with new buyers, and enhance business growth.

The Fastener Exhibition and Conference, Birmingham

09/11-12
NEC

The Fastener Exhibition and Conference is expected to welcome 3,000 key buyers & decision makers from leading manufacturers, international wholesalers, OEM's and local stockists from the Fastener & Fixing Industry. The exhibition provides fastener companies with a dedicated platform to showcase their innovations, exchange expertise and develop business partnerships. It also acts as a trading forum and networking environment, offering valuable insights into future technologies and market trends.

The main focus of the show will be responding to the trends of the fastener industry; how the changing innovation within the manufacturing industry directly affects the fastener and fixing industry, and how those who respond to those needs most efficiently will grow their businesses very quickly. The education at the event will consist of a series of seminars, panel debates, demo's and masterclasses, focusing on trends, debates, solutions, the future of the industry designed to give manufacturing business leaders the knowledge that they need to make the right decisions for their businesses going forward.

09/20-22
Bombay Exhibition
Centre, Mumbai, India

Hand Tools & Fastener Expo

The Indian subcontinent's largest and only sourcing point for quality Hand Tools, Power Tools & Fasteners will showcase quality, special and high-end Hand Tools, Power Tools, Fasteners and Specialty Tools etc. used in the industries such as Automobile & Auto Service, Heavy Engineering, Construction & Infrastructure, Woodworking & Furniture, Gardening & Horticulture, Aviation etc.

The well-established event will be the confluence of the international & national Hand Tools, Power Tools & Fastener manufacturers, and key personnel from the industries in special focus, distributors/Retailers, Exporters, Industrial Suppliers etc. It is here the future oriented information exchange, discussions, decisions, buying-selling and investments will take place. The event features a wide range of latest products in related segments from Indian and international manufacturers & suppliers. The HAND TOOLS AND FASTENER EXPO 2019 has exclusive pavilions for manufacturers from China and Taiwan.

Fastener Poland

Exhibitors and visitors to Fastener Poland will have an opportunity for the third time to present their offer, target potential business partners, initiate cross-border contacts and long-lasting co-operations, exchange experiences. 190 exhibitors took part in the previous edition, up to 64% of the exhibitors were companies from foreign countries, including China, the Czech Republic, Denmark, France, Spain, South Korea, India, Germany, Taiwan, Turkey, the UK, USA and Italy. Visitor statistics were also quite impressive: 4,000 visitors, 26% of whom were from foreign countries: Czech Republic, Slovakia, Germany, France, Israel, Russia, Ukraine. Visitors represented such industries as metal processing, automotive, joinery, construction, furniture and others.

10/08-09
EXPO Krakow
International Exhibition
and Convention Centre

The exhibitors also appreciated the good organization and atmosphere that accompanied the event.

FASTENER WORLD at D45

"The second edition of FASTENER POLAND® showed that the fastener industry continues to grow. For our company, it was an opportunity to forge new business contacts in Poland and beyond and meet our current partners. We appreciate the lengths the organizers went to in order to ensure visitor comfort at the event. We hope that the amazing atmosphere of this year's edition will help make the trade show grow in the future. See you next year!" Adam Dobrzewiński, CEO at ABAKOSTEEL s.c.

Join us for the 3rd FASTENER POLAND Trade Show on 8th-9th October 2019 at the EXPO Krakow, Poland! More information on www.fastenerpoland.pl

Fastener Trade Show Suzhou

10/23-25
Suzhou International
Expo Center

As one of the most specialized fastener exhibitions in the world and a widely expected fastener event, the 19th Fastener Trade Show is dedicated to connecting the upstream and downstream of fastener manufacturing industry. Focusing on end users and building a global fastener trade platform are the highlights of the show.

Suzhou, one of the central cities in Yangtze River Delta, is the most developed and modern cities in Jiangsu Province. In addition, Suzhou enjoys a very convenient transportation which is a distance of only 80 km away from Shanghai, and less than 200 km away from Jiaxing, Wuxi, Ningbo, Hangzhou and many other fastener manufacturing bases. Therefore, the Suzhou show can not only help visitors easily connect with most of the fastener manufacturers in China, but also provide them with a good chance to visit the fastener factories.

In recent years, the Suzhou show has expanded into two halls, respectively the Fastener Hall and the Equipment Hall, with total exhibition space of 12,000 sqm. The 19th Fastener Trade Show Suzhou will continue strong momentum with expected more than 400 fastener and supporting manufacturers worldwide. Therefore, the show will offer a great opportunity for professional buyers to do one-stop purchasing of fastener products, production equipment and auxiliary products, as well as raw materials.

According to the statistics of previous Suzhou shows, visitors came from 40 countries and regions around the world. It is expected that the 19th Fastener Trade Show Suzhou will attract over 12,000 local and overseas buyers. For more information about Fastener Trade Show, please visit www.fastenertradeshows.net

11/14-17
Egypt International
Exhibition Center

MACTECH

MACTECH will be held at the prestigious venue Egypt International Exhibition center during the period 14-17 November 2019; as a distinctive trade happening; where steady stream of consistent amazing arrays of metalworking, CNC machinery industrial tools, welding and cutting equipment are obtainable in a prevailing mood; escalating the industrial community's awareness of trends and tendencies in a market that is poised to be the world's next foremost industrial hub.

Gathering the world's brightest minds in metalworking, CNC machinery industrial tools, welding and cutting equipment; whilst adding-in new pulse and overwhelming insights to the markets it served; MACTECH acts as the most comprehensive tightly focused trade exhibition serving thousands of Egypt's most vigorous well-off industrialists, representing Millions of Dollars in investment chattels; in search for a stepping-stone towards sourcing the most advanced machinery and equipment.

For 18 consecutive editions; "MACTECH"; indeed; has shown power to reach, target and attract thousands of qualified trade buyers; structuring the most influential compact trading alliances in industrial markets; the show is targeting 18,000 visitors in 2019. ■
