## Fastener Expo Shanghai

**06/26-28**

National Exhibition & Convention Center (Shanghai)

## International Fastener Show China

**06/11-13**

Shanghai World Expo Exhibition & Convention Center

Continuing the good reputation earned in the first edition held in 2018, International Fastener Show China 2019 will utilize bigger exhibiting space (42,000 sq. m), have more exhibitors (+800), arrange more stands (+2,000) and welcome more than 30,000 visitors from at least 60 countries.

Hall 1 and Hall 2 will be open for the show this year. The former is for Equipment and Devices, such as fastener manufacturing equipment, inspection devices, assembly/installation & repair instruments, molds & dies and related technical service, while the latter is for Products, such as fasteners, automotive fasteners, aerospace/military fasteners, construction fasteners/connecting parts and fasteners for other industrial use.

As one of the most influential trade shows in Asia and the world, IFS China is a good platform to facilitate the exchange and development of the global fastener industry. "We are dedicated to making IFS China a must-attend annual event for the global fastener industry. The annual IFS China will be the bridge connecting Chinese fastener industry and the global fastener professionals, which can facilitate exchange within the industry and create business opportunities for every participant.

According to the survey conducted for the 2018 edition, more than 80% of the visitors were from high-level management or purchasing and R&D divisions which may have the power to influence the decisions of their companies. The survey also shows that more than 70% of the visitors in 2018 were fastener manufacturers and traders.

## Korea Metal Week

**06/19-21 KINTEX**

On a total area of 21,546 square meters, Korea Metal Week 2019 will be held from June 19 (Wed.) to 21 (Fri.) at Hall 2-3, Exhibition Center 1, KINTEX in Goyang City, S. Korea.

In 2019, Korea Metal Week will exhibit more wide-ranging and gather more sellers & buyers by newly-launching Control, Measurement and Automation applicable to fastener industry.

- Fastener & Wire various exhibits will be shown as below.
- Bolt / Nut Products & Equipment
- Automobile Parts / Fastening Products & Subsidiary Materials
- Wire Production & Manufacturing

Also, it will concurrently be held with Press & Forging, Tools, Automobile & Machine Parts, Tube & Pipe, 3D Technology, Foundry & Die Casting, Fundamental Manufacturing Industry, Aluminum, Metal Surface Treatment & Painting, Laser & Welding, Pump Technology, Composite, Control, Measurement and Automation.

Subtitled 'Advanced & Convergence Technology', Korea Metal Week 2019 will invite experts of global automobile company such as Mercedes-Benz, BMW, Volkswagen, etc

as keynote speakers. Also, through group invitation of their purchase department, the match-making service will be provided to the exhibitors for business meetings.

Although Korea is not a big market in Asia, Korea Metal Week is the best marketing place to see the trend of the latest technologies in relevant industry.

From the 26-28 June 2019 a vast number of the industry's leading companies will convene in Shanghai. Following the significant success of the recent 2018 exposition, which brought 633 exhibitors, 2019 sees a growth to over 700 exhibitors and 30,000 visitors. Occupying 60,000 sqm, next year promises an impressive display of products including non-standard pieces, fasteners for industrial application, fastener manufacturing technology and equipment, mould and consumables for fasteners, raw materials, and even related support products and techniques.

The 10-year anniversary will also mark the expansion into a new type of fastener: ITE is proud to introduce building fasters, an unique area never showcased before. The 2019 Exposition hopes to provide an interactive and unique experience for all those involved; Face-to-face services will also be offered allowing visitors to be matched

to exhibitors in advance and a variety of seminars and conferences will be available allowing visitors to further expand their understanding of the industry.

## International Fastener Show

09/18-19

The Mandalay Bay  
Convention Center

Registration is now open at [www.fastenershow.com](http://www.fastenershow.com) for the International Fastener Expo (IFE) 2019, the largest and most established business-to-business tradeshow of every type of fastener, machinery and tooling, and industrial-related products in North America. IFE 2019 will take place at the Mandalay Bay Convention Center, Bayside D & E, in Las Vegas, Nevada.

Every year, IFE brings together 5,000 attendees and 850 exhibiting companies from the entire supply chain, including manufacturers, master distributors, distributors, and OEMs. VIP attendees at IFE are consistently included in Industrial Distribution's Big 50 List and exhibitors are among the top international and domestic manufacturers, material suppliers, tooling and machinery providers and ancillary services.

This year, India has been selected as IFE's Global Spotlight Country. Debuted in 2018, participating exhibitors of the selected country have the opportunity to display their products within the Global Spotlight-designated area on the show floor.

IFE 2019 plans to again host a robust conference schedule with highlights on technology, leadership and business management, and tariffs.

New for IFE 2019 is "Preview Hours" on Wednesday, Sept. 17. Opening from 8 a.m. to 10 a.m., attendees and U.S. suppliers will have the opportunity to meet with manufacturers in Machinery and Tooling and international exhibitors in SourceGlobal in Exhibit Hall E. The Exhibit Hall D will open at 10 a.m. to 4 p.m. and resume normal show hours on Thursday from 9 a.m. to 4 p.m.

## M-Tech Osaka

**10/02-04**

INTEX

As the western Japan's largest manufacturing B to B trade show, 2019 show is expected to have 1,350 exhibitors and 42,000 visitors.

### <Why visit>

1. See the latest industry's products and solutions
2. West Japan's largest show with 1,350 exhibitors
3. Close to famous tourist attraction spot
4. Enjoy Japanese extraordinary hospitality

In addition to many Japanese companies, Manufacturing World Osaka also gathers manufacturing companies from other parts of the world. There were 1,233 exhibitors, including 230 international exhibitors participated in 2018. Regional pavilions from mainland China, Taiwan, South Korea, Thailand and Vietnam were part of the attraction in previous show. The organizer expects a record breaking of 1,350 exhibitors from all over the world this year!

In 2018, the Sichuan provincial government identified key industry sectors and priority development areas across 21 cities and prefectures. The focus was to provide support for the 5+1 industrial strategy, while driving development in five trillion-yuan scale sectors spanning ICT, equipment manufacturing, food & beverage, advanced materials, energy and chemistry. The city of Meishan, a leading industrial base, lies in the crossroads of

the "one core + one belt + two corridors" development structure. Traditional manufacturing, such as display, optic communications and high-end circuits continue to grow in the city, while emerging sectors such as AI, information security, IoT, Big Data, cloud computing, mobile internet, digital entertainment and smart industrial-control equipment are gaining momentum. The electronics industry "blue sea" is ready and available for business exploration.

NEPCON West China 2019 has seen five successful instalments since its Chengdu inception in 2010, offering an annual regional event as part of the NEPCON China series focused on West China. The upcoming instalment will take place at Meishan Conference and Exhibition Center from 15-17 October. As an upgrade over previous events, this year, over 200 leading brand names will participate to attract over 6,000 trade visitors. Participating companies will seize the opportunity to generate leads in Meishan's emerging markets, while expanding to other regions such as Ya'an, Leshan, Yibin, Zigong, Luzhou, Neijiang, Ziyang, Suining, Chengdu and Chongqing.

## Taiwan Hardware Show

**10/17-19**

Taichung International Exhibition Centre

THS provides exclusive opportunities for foreign companies to meet Taiwanese manufacturers with unique competencies to manufacture complex hardware. International buyers will experience robust sourcing at THS and can later explore the manufacturing facilities of prospective partners directly in Taichung, the heart

of Taiwan's hardware manufacturing hub. Taiwan's top hardware OEM, ODM and OBM as well as international brands and suppliers continue to showcase new high-competitive value products to global buyers at the country's biggest hardware exhibition. THS frontlines Taiwan's valued capabilities in producing hardware that are top-grade, high-value, competitive prices, diversely customized and rapid demand from worldwide buyers. With proven quality excellence record, international buyers can establish mutually beneficial business relationships with local

companies to have their hardware products manufactured in Taiwan.

## Fastener Trade Show Suzhou

**10/23-25**

Suzhou International Expo Center

As one of the most specialized fastener exhibitions in the world and a widely expected fastener event, the 19th Fastener Trade Show is dedicated to connecting the upstream and downstream of fastener manufacturing industry. Focusing on end users and building a global fastener trade platform are the highlights of the show.

Suzhou, one of the central cities in Yangtze River Delta, is the most developed and modern cities in Jiangsu Province. In addition, Suzhou enjoys a very convenient transportation with only 80 km away from Shanghai, and less than 200 km away from Jiading, Wuxi, Ningbo, Hangzhou and many other fastener manufacturing bases. Therefore, the Suzhou show can not only help visitors easily connect with most of the fastener manufacturers in China, but also provide them with a good chance to visit the fastener factories.

In recent years, the Suzhou show has expanded into two halls, respectively the Fastener Hall and the Equipment Hall, with total exhibition space of 12,000 sqm. The 19th Fastener Trade Show Suzhou will continue strong momentum with expected

more than 400 fastener and supporting manufacturers worldwide. Therefore, the show will offer a great opportunity for professional buyers to do one-stop purchasing of fastener products, production equipment and auxiliary products, as well as raw materials.

According to the statistics of previous Suzhou shows, visitors came from 40 countries and regions around the world. It is expected that the 19th Fastener Trade Show Suzhou will attract over 12,000 local and overseas buyers. ## ENGIMACH-COMFAST

12/04-08

The Exhibition Centre, Gandhinagar, Gujarat

The Indian industrial fastener market can be segmented into high tensile fasteners and mild steel fasteners. Growing automotive and auto ancillary sector, increasing infrastructure and construction activities, developing heavy engineering industry comprise some of the key factors propelling the industrial fastener market in India.

The market has huge opportunities with an increase in upcoming manufacturing activities in the defense and automotive sectors. Indian industrial fastener market is poised to grow over the coming years along with the steady economic growth of the country.

Over the years, ENGIMACH has been one of the prime contributors to the development of the machine tools industry, that enables its participants and visitors with cutting edge and power house technology that stands for engineering excellence, innovation, quality and reliability. ENGIMACH is not just a trade show but a platform to see, understand and learn where the industry is heading to. The showcase at ENGIMACH shall offer a quintessential launch pad for new ideas, products and services, a conducive environment for forging joint ventures, collaborations and an open marketplace to source ideal solutions with an anticipated 1,00,000 visitors and beneficiaries. ■
