The 1st edition of Fastener Fair Turkey was held at IFM - Istanbul Expo Centre during November 21-22, 2013. It is a fastener-specific fair and the venue is spacious with smooth traffic flow. Its grand launch attracted 135 exhibitors from 16 nations, among which are 66 exhibitors from Turkey, and 21 from Italy, with others from China, US, Germany, Japan, UK, France, Spain, Poland, Switzerland, Slovenia, Croatia, India, and Turkmenistan. Fastener World Inc led twelve Taiwanese companies to the fair, including Alex Screw Industrial, J.C. Grand Corp., Home Soon Enterprise, Yi Chun Enterprise, Gem International, Wan Cheng Precise Technology, Kind-Auspice Industrial, Wan Iuan Enterprise, Changing Sun Metal, Chien Tsai Machinery Enterprise, San Shing Fastech Corp., and Homn Reen Enterprise. The fair went well and met expectation with positive feedback.

Istanbul spans across the Europe and Asia continents, neighboring Europe, the Middle East, and Russia. It is a crucial hub at a special geographical position within the range between the Black Sea and the Mediterranean. In terms of economic position, Turkey as one of the 20 major economic entities, a founder and member nation of OECD, and a member of EU's Custom Union, has its uniqueness and convenience in market development. The two-day Fastener Fair Turkey of the 1st edition for this year closed successfully. It is not hard to imagine the growing scale and market efficacy of the future editions. Fastener World Inc. will continue to give you scoops on this grand event.
