FASTENER EXPO

In India, the government has been promoting industrialization, urbanization and economic development in recent years & the living quality of people are getting better hence a fast and steady growth is observed in construction industry. It allowed foreign investors to invest in its construction industry, creating a vibrant atmosphere in Indian real estate market, which is no doubt good news to boosting demand for hand tools in India. India is anticipated to experience the fastest growth over the next couple of years. The economic growth and rapid industrialization are expected to drive investments for the fastener market.

And it is this scenario that Hand Tools & Fastener Exhibition provides an ideal platform to buyers and suppliers for future oriented information exchange, discussions, decisions, buying-selling and investments.

The 19th edition of HAND TOOLS AND FASTENER EXPO 2020 (HTF 2020), Indian subcontinent's largest and only sourcing point for quality hand tools, power tools & fasteners is scheduled to be held from December 17-18-19, 2020 at Pragati Maidan, New Delhi, India.
