# TFTA Chairman Cup Golf Outing

On August 4<sup>th</sup>, Taiwan Fastener Trading Association (TFTA) gave a TFTA Chairman Cup Golf Outing at Nanpao Golf Club (Tainan, Taiwan) and invited nearly 100 TFTA members to experience the joy of golf playing.

The Association also prepared several nice gifts and prizes for excellent game players this time and invited all enthusiastic TFTA members in attendance to have a great lunch together.

The full-day event held under the sunshine of southern Taiwan not only greatly heated the friendship amongst all members, but also provided a good place for them to alleviate work pressure and enjoy good health.
